SOFT TOUCH

✦ Clingy? No thanks. It's hot, you're off-duty, so work on minimal effort, maximum impact.

✦ Ditch the heels, maxi doesn't mean you have to do grand from top to toe. An easy strappy sandal will see you through.

✦ A gold dress calls for gold jewellery. Statement earrings are still fashion's firm favourite.

CLEVERLY CUT

✦ What's the one thing every woman can wear well? Wide-legged pants. A higher, slimmer waist will flatter every figure.

✦ Add a big bow to up the fashion factor and if you're going full throttle... a scalloped hem.

✦ Stripes? Lace? Studs? Yes you can mix all the season's trends. Just stick to understated colours and you're cruising ahead.
