Three-piece

The three-piece look is top of pops in business and fashion right now, but moreover, a low cut waistcoat, which offers men a more robust-looking chest with the illusion of a narrower waist. In short, when you're power dressing for the office, this is your go-to look. Of course it doesn't always have to be styled so ordinarily. Mix things up with a printed shirt – perhaps a blue cloth check to soften up the drama of the waistcoat, or perhaps an ornate brocade detail on a tie.
