FASHION CONSCIENCE

Sustainability is an inherent part of Magee's outlook for the future. The company champions the use of natural fibres like wool and linen; both renewable and biodegradable. Magee 1866 also uses electricity from hydro and wind sources and utilises carefully sourced local water for cloth production.

Black and white Emma herringbone tweed coat, **MAGEE 1866**, 21-26 South Anne Street, Dublin 2. Grey check shirt; grey check wool trousers; both **MAX MARA**, 723 Lisburn Road, Belfast.
